

RUD/Admin/Notice/2024/26

17 September 2024

Deadline for Students Having Grade "I"

In reference to the notices circulated on 12 May 2024 and 16 July 2024, the University Authority is contemplating to allow a last opportunity for the Grade "I" holder students from Spring 2021 to Spring 2024 to complete their programs. As such, all students of all departments who registered in different programs during these semesters and completed most of the courses but got stuck for having "I" Grade in one or two course(s) are requested to communicate with their respective departments by 22 September 2024. Those who failed or missed more than two courses are to get registered afresh to complete their respective programs.

The exam will be held from 27 September 2024 and the routine will be finalized by the departments after knowing the number of candidates affected in different courses.

For availing the opportunity, **students will have to apply before 22 September 2024 and make payment by 26 September 2024. After the deadline, no application will be entertained.** Those who will miss the opportunity will have to register afresh for the courses with Grade "I" even if the number is one or two.
